Golden Ciphers is a non-profit youth serving organization located in the Slavic Village neighborhood on Broadway Avenue. We work with youth ages twelve (12) to twenty-four (24) and their families. We provide after-school diversion, leadership and entrepreneur programs that are gender specific and culturally-based to help keep them off the streets while teaching them how to make better lifestyle choices. So come help us celebrate Golden Ciphers 17th Anniversary with live entertainment, award ceremony, Keynote speaker Dinner and more.

17 years **Together**...17 years of **Trust**...17 years of **Building**...
17 years of **Success!!!**
